

The Old Northwest Trading Co.

ETO-08 Hello 2nd Armor

ETO-08: Four U.S. armored infantry plus .50 caliber machine gun and gunner. Cast in white metal, the .50 caliber machine gun and gunner is a completely new design and meant to replace the plastic guns supplied with either the 21st Century or Forces of Valor Sherman tanks. Each set contains two metal replacement pintles for use with either vehicle.

ETO: NORMANDY 1944, SERIES 2

1/32 scale, pewter military miniatures
